

## **SIGMA CLASSES -**

**About us** – Sigma classes go much beyond a regular coaching class. It aims at honing scholastic skills among the students with analytical and intuitive abilities. Experienced faculty members bring with a team a great track record of converting ordinary into extraordinary.

**Mission**- Our mission is to prepare students and provide coaching that inspires them to discover their potential and allows them to work on improving it. We work to complement, enhance and empower the talent of each student individually. This is done with a pre-planned strategy, efficient teaching methods and a team of skilled and experienced faculty which is all the time available to mentor the students through each step.

**Vision** – Our Long-term vision is to rise as the leading talent creators with delivering outstanding results in all general and competitive exams preparation offered by our institute. We are determined and focused on maintaining the quality education by giving special attention to each student.

**Team - (Total 6 departments) – 5 teachers in each dept.**

(Teacher Image, Name, Specialization, Experience, 3 lines)

- Department of Mathematics
- Department of Physics
